Here We Come!!!!!!!

I believe the above is from the first SWIM Mugbook in 1981. It was created then by Vonnie Hicks, who produced them for years until he passed. He was also responsible for the SUUSI (SUUSI.ORG) Mugbooks. The theme then must have been something like "Here comes the Sun," which was part of the reason to go to Miami over the Christmas break. What will be the theme of the 51st SWIM at the Franciscan Center in Tampa, January 2nd to the 8th? Contact us with your ideas via Contact at SWIMUU.ORG.
